

Report 2018-19

WEEKLY MEETINGS

The weekly meetings of our SB was conducting regularly on Fridays at EI seminar hall with the participation of all IEEE SB members and IEEE staff in charge Jasna K (asst.professor,EI department).The students were sharing their ideas and suggestions.

SPECTRUM TALKS

Spectrum talks on different topics selected from IEEE monthly spectrum were presented by the SB members along with the weekly meetings.The talks were conducted at EI seminar hall.The listners were free to ask the doubts about the topic and it is found that the spectrum talks were very useful in developing technical knowledge of the SB members.

EXECOM 2K18

The election of executive committee of 2018 was conducted on 5th January 2018 at EI seminar hall.Abhishek Bijoy of S4 CS has taken the responsibility as Chairman, Secretary Rajalakshmi Rajagopal of S6 CS,WIE Chairperson Anjitha R Nair of S4 IT,Vice Chairperson Sneha Francis of S4 EC,Treasurer Samanyu S Neelson of S4 EI,Link Representative Kiran Krishnan of S2 CS,Joint Secretary Bonymol Baby of S2 CS,MDC Ance Kurian of S4 CS and Technical Co-ordinator Sreelaksmi EC of S4 CS.

SYNERGIO'18

Synergio'18 , a two day National technical event with amazing workshops,an awesome platform for showcasing the talents.

IEEE CEK SB successfully hosted the interactive and inspirational two day workshops and cultural events on 2nd and 3rd February 2018.A total of 84 students from different student branches participated in the event.We are very proud to say that Dr.K R Suresh Nair(IEEE Kerala section chair 2017) inagurated the event.The ice-breaking session was taken by Mr.Akash Nambiar(Kochi Hub student representative 2017).Session by Mr.Joseph Joshy(Link technical co-ordinator,outstanding volunteering of Kerala section) was an inspirational one.There were camp fire,dj night and different cultural programmes were conducted for the participants on the first day and the promo video of upcoming National level Techno-cultural fest of CEK ,Lumiere'18 was introduced to the participants.Two workshops were conducted on the second day the Android workshop was conducted at the Multimedial lab of CS department and it was led by Mr.Libin and Mr.Ananthu from HiFx,the second workshop on LiFi was conducted at EC department and it was led by Mr.Niju K Jacob of Neo green labs.Both of the full day workshops were very effective among the participants.Food and accommodation were provided for the participants.Online and offline publicity added colour to the event.Especially the dedication of volunteers and support of staff co-ordinator Jasna miss and college authority was really appreciable.

WOMEN'S DAY CELEBRATION

An active section of WIE (Women In Engineering) wing is working in our SB also under the leadership of WIE Chairperson Anjitha R Nair.The Womens day celebration of IEEE was conducted on 7th March 2018 at EI seminar hall.The Chairman of IEEE CEK SB Abhishek Bijoy,WIE Chairperson Anjitha R Nair were shared their thoughts.Staff Co-ordinator shared the importance of women in engineering.Juliemol Augusthy from S4 IT shared the inspirational story of Malala Yousafzai.

ORIENTATION PROGRAMME

An orientation programme for the first years was conducted in main seminar hall on 5th October 2018.The half day programme was scheduled as to provide all batches of

freshers. The programme was led by Abhishek Bijoy (Chairman, IEEE CEK SB) of S5 CS.

The two session was started with an ice- breaking session. Through the sessions students got a clear picture about IEEE. All of the current members actively volunteered for the programme. A small group game session were conducted and students were appreciated by giving prizes. Students from each branch were selected as representatives and the orientation programme got an excellent response.

PES QUIZ

A quiz competition in connection with Power and Energy Society was connected in our SB on 8th October 2018. 20 members of our SB actively participated in the written quiz competition, among them Neethu Susan Roy of and Athul Cyriac Ajay of S2 CS were selected as the winners.

WYBO (Work Your BrainOut)

IEEE SB of CEK conducted WYBO phase-I on 26th October 2018 at EI seminar hall. About 22 students were participated in WYBO. The question were multiple choice type related to technical and mathematical areas. Among them Kiran Krishnan of S3 CS was participated in WYBO finals conducted at GCE Kannur.

ACHIEVEMENTS

IEEE CEK SB is very proud to say that Chairman of the SB , Abhishek Bijoy of S5 CSE were awarded on 9th September 2018 for his great service as the founding volunteer of keralarescue.in and an additional achievement is that he was selected as Electronics Communication Co-ordinator of IEEE LINK (IEEE Kerala section student team).

We are very glad to share that, the LINK Representative of IEEE CEK SB Kiran Krishnan of S4 CS was selected as the Design Lead of IEEE Communications Society (Kerala Chapter).

Congratulations to all who made our SB proud.

IEEE CEK SB is continuing its journey with new dreams and ideas to make our SB more proud and active.
